Bright Start CDC a local preschool and would like to have a booth to inform our community about our available services. -they want to distribute the pdf document

Program request: Food Forward rescues excess produce from 15 different markets between Los Angeles and Ventura counties! They are looking to expand this gleaning process to a few other markets, one of which is the Montrose farmers market. Melina Finck, Community Programs Coordinator, will contact Mark directly to review the process of the program.

VI. Old Business

- a) Barricade protocol for events not hosted by the MSPA
- b) IC's contracts
