TWO THINGS WILL DISAPPEAR FROM THE MONTROSE SHOPPING PARK THIS MONTH...

the DIAGONAL CROSSWALK is scheduled to be removed, but so is the grass along our sidewalks...

The City will restore the intersection at Ocean View Blvd. and Honolulu Ave. to its previous configuration as a result of much public protest to the diagonal crosswalk. Our grassy areas will also be removed and replaced with mulch and drought-tolerant plants. This will occur Citywide as Glendale seeks to meet the governor’s mandate of 25% reduction in municipal water usage. Trees and plants will remain in place.
